

Parking Stall Numbering Convention

All parking stalls that are NOT assigned to a suite follow this convention.

- . The first alpha character indicates the type of stall. (See Legend)
- . The second character indicates the parking lot number.
- . The third character indicates the building number where the stall receives its power from (a zero indicates no power; C Indicates the Club).
- . The fourth and fifth characters indicate the stall number.

EXAMPLE

NOTE:

1. All parking stalls are 2.591 m wide.
2. Garbage enclosures are 2.743 m wide.
